09:00-09:10	Welcome by Kristin Holm Jensen, head of department of culture and Education in KS Introduction of the PLA – Silvia Pesini, EFEE
09:10-09:40	Innovation4Education What do we know now? – Peter Kelly
09:40-10:40	World Café – Culture of innovation. How to strengthen your organisation/school to be innovative Topic 1: School development and more efficient school organisation. Teaching for the future (15') <ul style="list-style-type: none"> - Questions: Is there a collaborative atmosphere in schools to come up with innovations? Is there resistance to change from staff? How can we improve this situation? Topic 2: Developing people. Professional development for teachers and digital competency for students (15') <ul style="list-style-type: none"> - Questions: What kind of skills will the 'teachers of tomorrow' need? Should teachers be trained in leadership and given more autonomy in order to prompt innovation? Topic 3: Developing the organisation. Improving accessibility and introducing new technology for administrators and communicators (15') <ul style="list-style-type: none"> - Questions: What are the resource constraints that limit innovation in educational institutions? How can technologies be used to alleviate the administrative burden for teachers? And the communication among the staff? What are the risks of using these technologies? Topic 4: Developing teaching and learning. Creating conditions for new forms of teaching and learning and collegial learning (15') <ul style="list-style-type: none"> - Questions: Is collegial learning used in your school/s? Are students involved somehow in the design of pedagogy or pedagogical tools? Are parents? Coffee break

10.40 – 11.15	Presentations of group discussions <ul style="list-style-type: none"> - Leader of topic 1 (8') - Leader of topic 2 (8') - Leader of topic 3 (8') - Leader of topic 4 (8')
